

Welcome to the 17th Annual Rio Del Lago 100 Mile Endurance Run!

We are excited for your participation and look forward to seeing you at one of our "Fall Classics."

Our volunteers deserve sincere thanks and heartfelt applause. They are truly the heartbeat of our events. Without the dedication of our aid station captains, crews, course markers, medical/safety sweep teams, radio operators, and my NorCalUltras team, this event could not happen.

Thanks to our partnership with the Folsom Tourism Bureau, California State Parks and Auburn Recreation District. Thanks to all of our sponsors and partners for helping to make the event a huge success.

Please read the following as this is your runner final confirmation.

HAPPY TRAILS!

Julie Fingar, Race Director

NOTE: Daylight Savings occurs on Rio race weekend. However, we will NOT be observing the time change until the race is officially over. You will need to keep your watches, clocks, etc set to the time clock beginning on Saturday. If you have a device that automatically changes, you will need to adjust. We will be following the mileage pace chart times and cut-offs based on the Saturday clock.

Service Forms: If you have not turned in your volunteer/service forms by 10/31, you **WILL** be removed from Rio Del Lago (and Ultra SignUP) - no questions asked. When you registered you had to mark the check box stating you understood there is 6 hours of volunteer hours that are required in order to run.

Crew Info - All runners and crews READ!

All runners are responsible for their crews. All runners MUST sign a waiver on Friday at packet pick-up acknowledging and accepting full responsibility for their crews. Crews may NOT be at locations that are NO CREW ACCESS. Failure to comply will result in their runner being disqualified. Local runners and friends, this applies to you even IF you know the course. Do not access any locations that say NO CREW ACCESS! No excuses!

This is serious business! Our event permits allow for certain areas can be accessed by crews. Do NOT go to a location that is not allowed. Period! You could jeopardize our permit for future events. Your cooperation and compliance is a must.

Pacer Info: Pacers MUST check in prior to running to sign a waiver as well as pick up a PACER bib. This can be done at Packet Pick-Up on Friday or on race day, pacers MUST pick-up waiver/bib at one of two locations - Beal's State Park in Folsom or Overlook Park in Auburn. Plan accordingly, as these items will not be available at No Hands or Rattlesnake Bar aid stations.
